**\*\*Evangelizing Catholics, Scott Hahn (1 hour 8 min)**

*In this informative and dynamic presentation, Dr. Scott Hahn discusses why the New Evangelization is the greatest priority of the Church at this time, and how we are all called to share our faith. He shows how the Eucharist relates to explaining Jesus' death and resurrection, and how Blessed John Paul II's called for a New Evangelization must be based on the Eucharist.*

Did you know that through our baptism, we are called to proclaim the Good News to all people, everywhere and at all times. ....explore this website which is an interactive version of the document... **CARDINAL RATZINGER ON THE NEW EVANGELIZATION**

*The Church always evangelizes and has never interrupted the path of evangelization. She celebrates the eucharistic mystery every day, administers the sacraments, proclaims the word of life—the Word of God, and commits herself to the causes of justice and charity. And this evangelization bears fruit: It gives light and joy, it gives the path of life to many people...However, we can see a progressive process of de-Christianization and a loss of the essential human values, which is worrisome. A large part of today's humanity does not find the Gospel in the permanent evangelization of the Church: That is to say, the convincing response to the question: How to live?
